Introduction

This document provides the terms and conditions when registering as an artist and trying to monetize on raadyo.

Raadyo allow people to download and purchase music from their favorite artists who are registered. It also gives artists the power to upload their content free on the platform and monetize them. But by monetizing your music you will be agreeing to the terms and conditions in this document.

Terms & Conditions

By registering as an artist you have agreed to these terms and conditions

Free content

Any user that uploads/lists content as free should be the original creator or should have a legal permission to act in that capacity. Anything contrary to this will lead to account termination. You are not allowed to upload any content that may be deemed illegal or unauthorized on this service. Please note RAADYO reserves the right to terminate any account, change terms and conditions or refuse service to anyone for any reason.

Paid content

All terms stated for free content applies in addition to the following;

- The mobile payment provider deducts a fee per each transaction.
- VAT as well as other taxes apply
- In addition, raadyo charges a fee per each transaction for registered artists on it's platform.
- All charges sums up to a total of 10% per each sale (**When a “user” subscribed to a “Standard” account buys a track or album**)
- For pricing, a minimum of GHC 0.50 and a maximum of GHC 2 for a single track, GHC 5 minimum and a maximum of GHC30 for an album
- Royalty payout per stream is subject to change based on user activity and user subscription pricing. All publishers/Artistes will be informed of current payout per stream when uploading a song and also on invoice when payment is due.
- Payments are done every 30 days and you would be paid when total streams and purchases sums up to GHC 50 or more

We advise all these should be considered when pricing your content. You can contact us on +233204053957/+233245240734 or artistsupport@raadyo.com before you proceed if you have any questions
